To Whom It May Concern:

I purchased an unfinished home from Jimmy Gildart of Gildart Construction in which he proceeded to make numerous finish changes to suit my desires. I can honestly say that Jimmy was very accommodating and never said "No" to my requests. He analyzed all requests and provided detailed options with pricing in a very easy format to understand. This allowed for easy quick decisions and avoided delays in completion. His detailed scheduling of contractors allowed for many changes without extending the closing date. Jimmy's dedication to this project did not stop at closing as it has continued to date. His honesty and integrity is second to none. I am considering investing in future properties and if I do, I look forward to using Gildart Construction for the construction portion of my investment. It is with great pleasure that I write this letter and would not hesitate to recommend Jimmy and Gildart Construction to others.

Sincerely,
