Re: Wave Energy Reference Letter  
For: Gildart Construction Company – Mr. Jimmy Gildart

To Whom It May Concern:

Jimmy Gildart managed a build out on our facility and completed in September 2008 on schedule and within budget. His accomplishments & completion on our project were:

- Adhered to 6 week schedule through Hurricane IKE which allowed our move in schedule to remain unchanged.
- Coordinated requested changes with Architect, Building Management and City. Executed these changes without changing the completion date.
- Executed requested miscellaneous changes after move-in including coordination with Building Management.

We at Wave Energy look forward to working with Jimmy on any future projects and are more than happy and willing to serve as a reference on any potential projects Gildart Construction may become involved with.

Regards,

Jeff Rand  
President
